In preparation for the RD&E staff meeting tomorrow, I spoke to Max regarding the clarification of the language in item no. 15 of the RFA that requests the investigator to divulge ALL sources of support.

Would you please review so we can present tomorrow; however, this may only be a small fix to a bigger situation....

Thanks, -L

Loreen:

Here are our suggestions for a revision to item 15. Are you aware that last November we gave Tapas and Richard I. a proposed form for the PI to update this information at regular intervals during the project period?
